

Explain in your own words, that the services specialty pharmacies provide to you and your doctor are not available from commercial pharmaceutical manufacturers, nor most local pharmacies.

We value our relationship with you, and want to continue to provide service to men and women who need it, regardless of where they live, and without government intervention. Thank you for helping us stand up for your right to choose where and how you get the medication you need.

If you have any questions, please call me at 1-800-888-9358 ext. 128.

Sincerely,

Tom Bader, R.Ph.
Owner, College Pharmacy

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.
